

Technical Rider

THE WAVE | 2022

Timetable

Setup: 2h

Please send us pictures of the venue and we will be more precise about set up time

Show length: 90 min.

15min of Q&A can be organized

Support

THE WAVE does not need any special technical facilities.

The play is set in a school (mainly).

Space: 6 X 4 min

We need 2 Table for props and 3 chairs each side of the stage/ performing area too (not seen by audience) are also needed.

Please inform us if your school / if the space has wings. Otherwise please provide foldable screens or anything we can use to create a backstage. Actors have to change in the performing area without being seen by the audience.

Light

We can adapt to lights provided in schools or can be done with no lights at all

Dressing rooms

Total : 5

5 actors

Please inform us If you can not provide dressing rooms

If you have any questions, please contact
